TERRITORIAL ITEMS.

Tom Fitch will return to Arizona. Prescott officers have arrested three men charged with counterfeiting. Bacon is selling at 18 cents at Globe city.

Yesterday was election day in the new county of Apache. Chas. D. Stewart has been elected Clerk of the Supervisors of Pinal county.

The laws of the last Legislature of Arizona, will be issued in about 10 days. Hon. John G. Campbell's address in Washington is, "Washington House, Washington, D. C."

A fire broke out in "whisky row," Prescott last Thursday. It was extinguished before much damage was done.

One of the Freeman and Hill party have returned to Prescott, and reports its utter failure. The *Miner* denounces the whole affair as a humbug.

One-half of the Cumberland mine has been sold to English capitalists for \$150,000. This property is about 18 miles north of Wickenburg.

The Hampden Mining Company is the name of the corporation which has secured the Silver Queen mine in Cedar Valley District, Mohave.

The Mexican mine, near Globe, has been sold to a Chicago Company, who are making preparations to erect a mill at once.

The Senate has confirmed Joseph W. Parish, of Missouri, as Receiver of Public Moneys at Florence, Arizona.

P. R. Brady, Treasurer of Pinal county, in his report for the quarter ending March 31, reports \$9,023 28 on hand.

Three hundred Sunday workers are on the way to Yosemite Valley, to attend the Sabbath school assembly beginning June 7.

The Sierra Archer and the Pinal Mountains, have lately been fired and a large amount of timber consumed. Fires in the timber south of Prescott, is also reported.

Senator Cockrell, of Missouri, has introduced a bill in the Senate granting the S. P. R. right of way through Arizona and New Mexico to El Paso, Texas. The bill merely grants the right of way, giving no subsidy and promising no government aid.

Miner: The Arizona Lottery, we are told is to be postponed for sixty days, from the fact that some of the tickets are unsold and to give time to get returns from the numerous agencies in every town and city in the States. In sixty days from the 4th of June the drawing will take place and one prize of \$10,000 will make some poor soul leap with joy.

Star: Still does the tide of emigration set strongly in the direction of Tucson. Each daily coach comes in loaded, and numerous wagon-trains bring accession to our population. Our hotels and restaurants are doing an immense business, and all the indications are that Tucson may confidently look forward to a successful business future.

Miner: The most of our sheep men are through with their sheep shearing and now commences the shipment of wool to California and the East. Arizona wool is superior to that of Southern California and should be classed differently, and insure our wool growers a better reward for their labor.

At the last meeting of the Board of Supervisors of Pinal county, J. F. Walker of Florence and J. D. Baker of Silver King, were appointed as road viewers, to act conjointly with the County Surveyor to view out and survey the most practical road between Florence and Globe city. At this meeting also, the bond of J. P. Gabriel in the sum of \$10,000 with Levi Ruzelos, J. D. Walker, J. V. Wilson and H. B. Summers as sureties, was received and approved and ordered filed with the County Recorder, as an additional bond for the Sheriff acting as County Assessor.
